COLLEZIONE DI LUSO

INCOMPARABLE LUXURY

www.theverve.com.my

Over the past 25 years, we have vast experiences in manufacturing and distribution of our sanitary wares to various sectors ranging from commercial, residential to high rise corporate buildings and mid-high end condominiums.

In addition to our existing stylish, quality and comfortable products, we have ventured with the help of experienced engineers, designers and valued customers, into a new range of more aesthetic and desirable products known as 'the VERVE'. Our new motto, COLLEZIONE DI LUSO, is to provide our general community with luxuriously designed products at a very competitive value.

VIM series

a complete set of luxurious bath collection in a glamorous home. Recognised as the “BESTSELLER” from “the VERVE”, it features an Ultra-Slim UF seat cover with greater toughness albeit its weight being 10% lighter than its predecessor. Its soft closing mechanism remains intact to maintain a child-safe environment. This contemporary design is well-paired with a sleek designed semi-recessed, VS 2001.

PILDOOR series

is a another unique collection from “The Verve”. Emphasizing on Children-Friendly DualSeat Cover concept, it partners a detachable Children-size seat cover with its soft-closing mechanism to provide highest safety level when answering “ Nature Call”.

Apart from its UF and Quick-Release function, its new option of the LED Power Savings Guide enables toilet visit without having the lights on. The eco-friendly LED “blue-ray” lightings direct the user to the water closet during the dark nights, preserving a greener environment. Coupled with the eloquent designed VA2012 Art vanity basin, it forms a classical finishing for a modern bath.
